GENERAL SCHOOL INFORMATION

ATTENDANCE and ABSENCES

State law requires that every child enrolled in school regardless of age, comply with the Alabama Compulsory School Law. Prompt and regular attendance in school is critical to a student's educational development. Unless your child is ill, please see that he/she attends school everyday and is not checked out before dismissal. We urge parents to make routine doctor and dental appointments after school hours.

Absences must be explained (Excerpt from Title 16, Code of Alabama 16-28-15.) Every parent, guardian or other person having control or charge of any child required to attend public school, private school, denominational school or parochial school shall, as soon as practical, explain the cause of any absence of the child under his control which was without permission of the teacher. Failure to furnish such explanation shall be admissible as evidence of such child being truant with the consent and connivance of the person in control or charge of said child, unless such person can show to the reasonable satisfaction of the court that he had no knowledge of such absence and that he has been diligent in his efforts to secure the attendance of such child.

Every student who is absent from school must present the school with a written explanation for the absence within 3 days of returning to school. A parent may request from the principal permission for a student to be absent prior to the date of the absence. Any student who is absent and who did not receive permission before the absence, must submit a written explanation of the absence from the parent, guardian, or other person having control of the student to school officials upon the student's return to school. The principal will have the opportunity to review the written permission request or the written explanation for the absence to determine whether the absence shall be excused or unexcused. The following are considered permissible reasons to have an absence excused:

- Student illness, physician or dental appointment;
- Inclement weather which makes it dangerous for students to attend school as determined by the superintendent of education regarding emergency closings (ref. BOE Policy A-10);
- Legal quarantine;
- Death in the immediate family (obituary notice from local paper may be required);
- Emergency condition as determined by the principal or superintendent of education;
- Absence to observe traditional religious holidays, of a local, national, or international

origin when written verification is received by the student's minister or religious leader.

Any absence not falling into the categories listed above or otherwise excused by the principal, superintendent, or her designee will be unexcused. However, 6 parental excuses may be used per school year for any reason.

After a student has had 6 days of absences in one school year accompanied by a parent written excuse, the parent is then required to provide a physician's excuse for future absences to be excused.

Absences due to a family trip or any other extra-curricular activity are counted as part of the 6 parental excuses for the school year. Assignments will not be provided in advance of any trip.

Written excuses and physician excuses for absences should be sent to the office within three days of the absence. A physician's excuse must be the original, not a copy. Excuses must be dated, reason for absence given, and then signed by the parent, guardian, or physician.

See the TCS Code of Student Conduct.

TARDIES

Students who arrive in their first period class after 7:55 are tardy. Students will be issued a check-in slip and a phone call will be made to the student's parent informing the parent of the tardy. Each student is expected to attend school every day and arrive on time not only to school, but also to each class throughout the day. Each time a student receives an unexcused tardy, he/she will receive a Class I write-up. Multiple Class I write-ups will result in an office referral. Checking in with a doctor's excuse will be counted as an excused tardy.

CHECKING IN/CHECKING OUT

Students must attend school for 50.99% of the school day to be counted present for the day.

The chart below indicates the time of the day that the 50.99% is reached in the bell schedules:

Day	Thursday	Monday, Tuesday, Wednesday & Friday
Time	11:13am	11:49am

***Students checking in after 11:13am or checking out prior to 11:13am on a Thursday bell schedule will be counted as *absent* for the day.**

***Students checking in after 11:49am or checking out prior to 11:49am on a Monday, Tuesday, Wednesday, or Friday bell schedule will be counted as *absent* for the day.**

Students are not permitted to leave school without checking out through the office. The parent must sign the student out on the checkout sheet. **Any adult who checks out a student must show a photo ID and be listed on the student registration form.** If an adult other than the parent or guardian is to check out a student, a written note from the parent or guardian must be presented in the office. The student must be signed out on the student checkout sheet and office personnel will call for the child. No one will be allowed to take a student from the classroom without a checkout slip issued from the office.

No one under the age of 18 will be allowed to check a student out of school. Students will not be called to the office to wait on a parent to arrive. The checkout process will begin when the parent arrives in the office.

CITIZENSHIP

Good citizenship will be emphasized at all times. Appropriate behavior is required at school and during school-related events. Citizenship grades are assigned by subject teachers as follows:

O – Outstanding S – Satisfactory
N – Needs Improvement U - Unsatisfactory

COMPUTER INTERNET

Students may use the internet under the supervision of the classroom teacher or other assigned faculty members. All students and their parents are required to sign an internet user agreement each year.

CONFERENCES

Parents are encouraged to discuss with the teacher any questions or concerns that might affect their child's performance. All teachers are available for scheduled conferences during their planning period each day. If you wish to schedule a conference, please make contact with your child's team of teachers. . At least one day's notice is suggested in order to schedule conferences. Please report to the school office when you come in for a conference.

CUSTODY PAPERS

A copy of custody papers must be on file with the school if a child is residing with a legal guardian or

custodial parent. It is very important that information on who may pick up a child be given to the teacher and be on file in the school office.

DELIVERIES

Deliveries to students will not be made during the school day (ex. balloons, candy, flowers, forgotten homework, etc.)

BACKPACKS

For the safety and security of our students, backpacks must be stored in lockers all day. Students are not permitted to carry backpacks to and from classes..

DETENTION

When students are assigned to detention, a form is sent home explaining the reason for this assignment. Parents need to sign and return the form the following day. By using after school detention, students will maintain the opportunity to remain in school. After-school detention is held on Tuesdays and Wednesdays until 4:30. Students are to report to the front office when the bell rings. Work will be assigned during detention. Unexcused absences from or failure to comply in detention could lead to suspension from school or additional detention dates.

FIELD TRIP BEHAVIOR

Field trips are a wonderful way to enhance a student's educational experience. Money and permission slips must be turned in to the office in accordance with the letter you receive regarding each individual trip. School personnel shall supervise all field trips. Parents or guardians' assistance as chaperones may be encouraged. (Any parent who agrees to serve as a chaperone will be expected to observe some general guidelines, which will be provided by the teacher). **No children will be permitted on a field trip other than the students of the teacher/class requesting the field trip.** The administration may decide a student should not participate in a scheduled field trip due to behavioral concerns.

Students must be transported to and from school field trips using TCBOE buses or any other properly insured, franchised, public transportation company. TCBOE bus rules apply to all field trips. **No refunds will be given for field trips since reservations and deposits for admissions and buses are made well in advance of the trip.**

GRADING POLICY

Each semester is divided into two nine-week grading periods. In determining the semester average, the two nine-week averages are added together and divided by two. To calculate the yearly average, average the grades from the two semesters. The scale for letter grades is below:

A	90 – 100	Excellent
B	80 - 89	Good
C	70 - 79	Average
D	60 - 69	Poor
F	Below 60	Failure

GROOMING/APPROPRIATE DRESS CODE

HTMS students are expected to dress appropriately for the school learning environment. Students are asked to wear clothing in the way it is designed to be worn and that appropriately covers their person. Shirts and tops should be full coverage. Shorts should be measured using the student's fingertips when hands are down on their sides. Shorts should be at or below fingertip length. Clothing should not include words, symbols, pictures etc. that are offensive or in any way inappropriate for the middle school environment. Hats of any kind including hoodies should be removed when students enter the building.

Book bags, back packs and athletic bags must be placed in student lockers or a designated area and remain there throughout the school day unless approval is given by the school nurse for medical reasons. Administrators will use their discretion in determining if clothing or accessories are inappropriate for the school environment.

HOMEWORK

Homework assignments are a very important part of the total school program. These assignments are used to provide additional practice and to strengthen skills introduced in the classroom. Homework is necessary to complete short- or long- term projects or to complete unfinished classroom assignments.

LATE WORK

Late work policy will be determined by each teacher/team of teachers and will be communicated at the beginning of the school year.

LOCKERS

School lockers and gym lockers assigned to students remain the property of Hewitt-Trussville Middle School. Students can rent lockers for storage of

books, clothes, and lunches. They are not intended to be storage boxes for money or other valuable items. Lockers are provided for student convenience and any items lost or stolen from the locker are the responsibility of the student. Students must keep their lockers secured at all times, not inform other students of their combination, and not allow other students to use their lockers. All problems with lockers are to be reported to the main office. No stickers, decals, etc. may be placed on the inside or outside of the lockers.

LOST AND FOUND

All students should safeguard their books, articles of clothing, backpacks, and lunchboxes at all times. **All items should be clearly labeled with the student's name.** The school Lost and Found is located in the small gym. It should be checked when items have been lost. Unclaimed items will be donated to a charity organization at the end of each nine weeks.

LUNCHROOM

The lunchroom staff works hard to provide a nutritious, well-balanced meal for students, faculty, staff, and visitors. Carbonated drinks are not allowed. Restaurant fast foods may not be brought into the lunchroom by anyone under any circumstances. This is a violation of the Federal Lunch Program guidelines, and it jeopardizes the receipt of the program monies by our lunchroom.

All students have a computerized account number in the lunchroom that they must use if any item is purchased.

Students are encouraged to make deposits on a weekly or monthly basis rather than a daily basis. Parents may deposit funds into their child's account by sending cash or a check (payable to HTMS) to the school. Parents may also access and deposit funds into their child's account by using **MySchoolBucks**. You may visit their website:

<http://www.myschoolsbucks.com> . The lunchroom staff will verbally notify the student when their balance is getting low. **Students who forget their lunch money may not charge.**

Applications for free/reduced priced lunches will be given to each student at the beginning of the year. Parents will be notified by letter whether or not the application is approved. New forms must be filled out each year.

MEAL PRICES

The meal prices for the 2022-2023 school year are as follows:

The following procedures for making up missed work will be observed:

1. Make up work should be completed as soon as possible, generally in one week, after the student returns to school.
2. A teacher or principal may require the student to make up missed work before or after school. If this is the case, advance notice will be given to the student/parent for transportation to be arranged.
3. It is the student and the parent/guardian's responsibility to make arrangements for, and to ensure that all examinations and assignments are completed within a reasonable timeframe.
4. Students and parents should communicate via email with each teacher for any missed assignments due to an extended absence.

MEDIA CENTER

Each student is allowed to have a maximum of two books checked out from the media center. If a book is lost, students must pay for the full price of a replacement book. The media center is able to provide copies of materials for the price of \$.10 per copy.

MEDICATION

The Alabama Board of Nursing, Alabama State Department of Education, and Trussville City Board of Education have strict guidelines regarding medications in the school setting. **School Medication Prescriber/Parent Authorization** form must be completed for both prescription and over-the-counter (OTC) medication. These forms are available online at the school website, in the main office, and in the school clinic.

PRESCRIPTION MEDICATION

- A doctor must complete the School Medication Prescriber/Parent Authorization form and the form must be returned to the school clinic.
- Change in dosage requires a new form to be completed by the doctor.
- Medicine must be in the original container giving the physician's name, dosage and instructions.
- Parents/guardians must bring medication to school. Students may not transport medicine to or from school.
- Emergency medications for asthma, diabetes, or anaphylaxis may be carried by the student on his/her person with a completed Medication Prescriber/Parent Authorization form and physician signature.

OVER-THE-COUNTER (OTC) MEDICATIONS

Under no circumstances is the school allowed to stock its own supply of OTC medicines. OTC medications (such as Advil, Motrin, Tylenol, Pepto Bismol, cough drops or syrups, etc.) require the same Medication Prescriber/Parent Authorization form as prescription medications.

If the OTC medication is to be administered for more than a two week time period, a parent signature and a physician signature are required on the form. Medications to be administered for less than a 2 week time period require a parent signature only. Non-prescription medications must be in the original, unopened, sealed container bearing the entire manufacturer's labeling and should be delivered to the school by the parent/guardian along with the authorization form. The student's name should be written legibly on the container. Liquid medicines must have a calibrated medicine cup, spoon, or syringe.

MISCELLANEOUS

Clinic personnel can treat cuts, scrapes, bug bites and bumps with soap and water, band aids and ice bags only.

Students who get sick during the school day will be sent to the clinic.

Students will be required to check out for:

- Vomiting
- Acute diarrhea
- Fever of 100 or above
- Suspected contagious infection
- Head lice

In the event of illness/injury to a student, every effort

will be made to contact a parent as quickly as possible to inform the parent of the student's condition. **It is essential that current phone numbers and contact information be on file so that parents/guardians can be contacted.**

PARENT-TEACHER ASSOCIATION (PTA)

We are fortunate to have an outstanding PTA that helps make our school the best it can be. The PTA provides our school with volunteers and financial assistance for many school projects.

PERFECT ATTENDANCE

Perfect attendance is defined as having no absences, no check-ins, no check-outs, and no tardies.

PERSONAL ITEMS

Cell phones are not allowed in classrooms.

Phones should be placed in lockers prior to first period and remain in lockers until 3:00. **Texting is not allowed at any time during the school day.** The school is not responsible for these items. Any items remaining in the office at the end of the school year will be discarded. Failure to comply with this policy will result in disciplinary action according to TCS Code of Conduct.

PROGRESS REPORTS & REPORT CARDS

Students will be given teacher generated progress reports 4-1/2 weeks into each nine-week grading period. Progress reports will also be sent home at the end of each nine week period. Progress reports will give parents information regarding students' academic progress in each subject. The reports should be signed by parents and returned to the school within two days. Students' report cards will be issued within 10 days after the semester grading period ends, with the exception of the 1st semester, due to the holidays. Report cards will show students' averages in each subject. Please return signed report cards within two days after being issued. If you do not receive a report card when it is expected, please contact the school.

PROMOTION & RETENTION

Promotion will be based on student performance in the five major subject areas. For grade six, these are reading, math, English, social studies, and science. In grade seven and eight, these are math, English, social studies, science, and physical education.

A student who fails one subject will be required to attend summer remediation and achieve passing grades in order to be promoted to the next grade. A

student who fails two or more subjects will not be promoted.

PHYSICAL EDUCATION REQUIREMENTS

Gym shorts, shirts, socks, and tennis shoes are required for all students to dress out during PE. Repeated failure to dress in proper gym attire will result in disciplinary action and a lowered grade. Students needing to be excused from physical education for more than three days will be required to obtain a doctor's excuse.

Making up work or tests for other classes or assisting other teachers will not be allowed during physical education time.

STUDENT BEHAVIOR

Students are expected to exemplify characteristics of good citizenship at all times. In order to receive the maximum educational opportunities offered by the school, good discipline is essential. One of the objectives of the school is to encourage the development of self-discipline.

Rules of behavior and consequences are listed in the Trussville City Schools Code of Student Conduct. All students are expected to follow these rules.

Due Process – When students are involved in a discipline incident, they will be given Due Process. In cases where disciplinary action is taken, school administrators will do the following:

1. Investigate the charges
2. Explain the charges
3. Give the student an opportunity to present his or her side

Search and Seizure – The principal or other authorized school officials may conduct a search and seizure. Searches and seizures apply to school property, school lockers, private automobiles, backpacks, purses, and students. This also applies to school-sponsored activities away from school.

Enforcement Assistance – In special circumstances, the administrators may seek assistance from the police.

STUDENT INFORMATION

Parents are encouraged to notify their child's teachers of all **email addresses** to be used as a means of communication between home and school. All information concerning students must be kept current at all times. Please inform the main office of any change that takes place (ex. address, phone numbers, health issues, etc.). **All work and**

emergency numbers should be current so that we may contact you if a need should arise.

TELEPHONE USE

The telephone in the office is to be used for necessary school business. Students may be permitted to use the telephone as deemed necessary by school officials. Transportation issues should be settled before students arrive on school campus.
