

NOTE: Publix Partner Program changes in participation effective 10/1/18

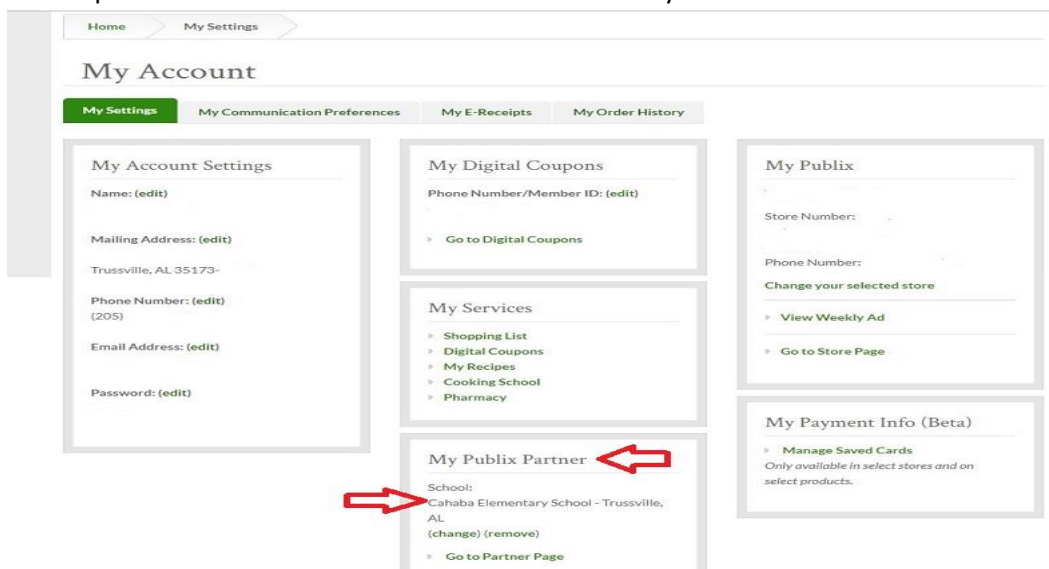

Beginning October 1, 2018, Publix will no longer use the Publix Partner key tag cards. But don't worry! You can continue to support Cahaba Elementary School through the Publix Partners program by entering your phone number at checkout.

- First, you must create a Publix online account and select Cahaba Elementary School as your partner school. Go to www.publix.com. Click "Sign Up" at the top of the page and create an account.

The screenshot shows the 'Sign up for a Publix.com account' page. At the top is the Publix logo (a green circle with a white 'P'). Below it is the heading 'Sign up for a Publix.com account'. A sub-heading reads 'Save time and money when you become a member.' The form includes fields for 'First Name *', 'Last Name *', 'Zip Code *', 'Email Address *', 'Phone Number *', and 'Password *'. Below the form is a checkbox for 'Receive Personalized Communications' which is checked. There is also a link to the 'Privacy Policy' and a paragraph of terms and conditions. At the bottom of the form is a green 'SIGN UP' button.

- Once you have created an account, click on "My Settings" and go to the "My Publix Partner" section. Click on "Select a School" and type in Cahaba Elementary School. Click on our school in the dropdown list and click the "Select" button to save your selection.

Thank you! You are now supporting Cahaba Elementary each time you enter your phone number at checkout!
