

Dear Parents of 4th Grade Students,

As part of this year's music curriculum, your child will be learning to play the recorder. The recorder presents a wonderful opportunity to introduce music reading and appreciation. I hope that by giving the students a positive, enjoyable learning experience they will be encouraged to develop an interest in music.

If your child will be playing a recorder previously used or owned by an older sibling, please have them bring it to school with their name on it. If your child does not already own a recorder, now is the time to purchase **one for \$6**. You also have the option of purchasing two (\$12) recorders: one for school and one for home. You may pay for a recorder by cash or check (made payable to PES) and **return the form below to your child's music teacher**. If there is a financial concern, please let me know. We will begin playing recorders in mid-September.

Forms and money are due by **September 17** to make sure that your child has a recorder in time.

Please let me know if you have any questions.
